Working Class, Immigrant, and African American Women

Read the pages on Sweatshops in America and discover more about how many working-class women were treated.

Working Class Women	Wealthy Women

Examine the life of [Ruby Livingston](#). Answer the questions below based on her story.

- What role did race play in Ruby Livingston's efforts as a suffragette?

- What did the involvement of women of color change about the suffrage movement?

Watch the [Sojourner Truth Biography](#) video. After watching answer the questions below.

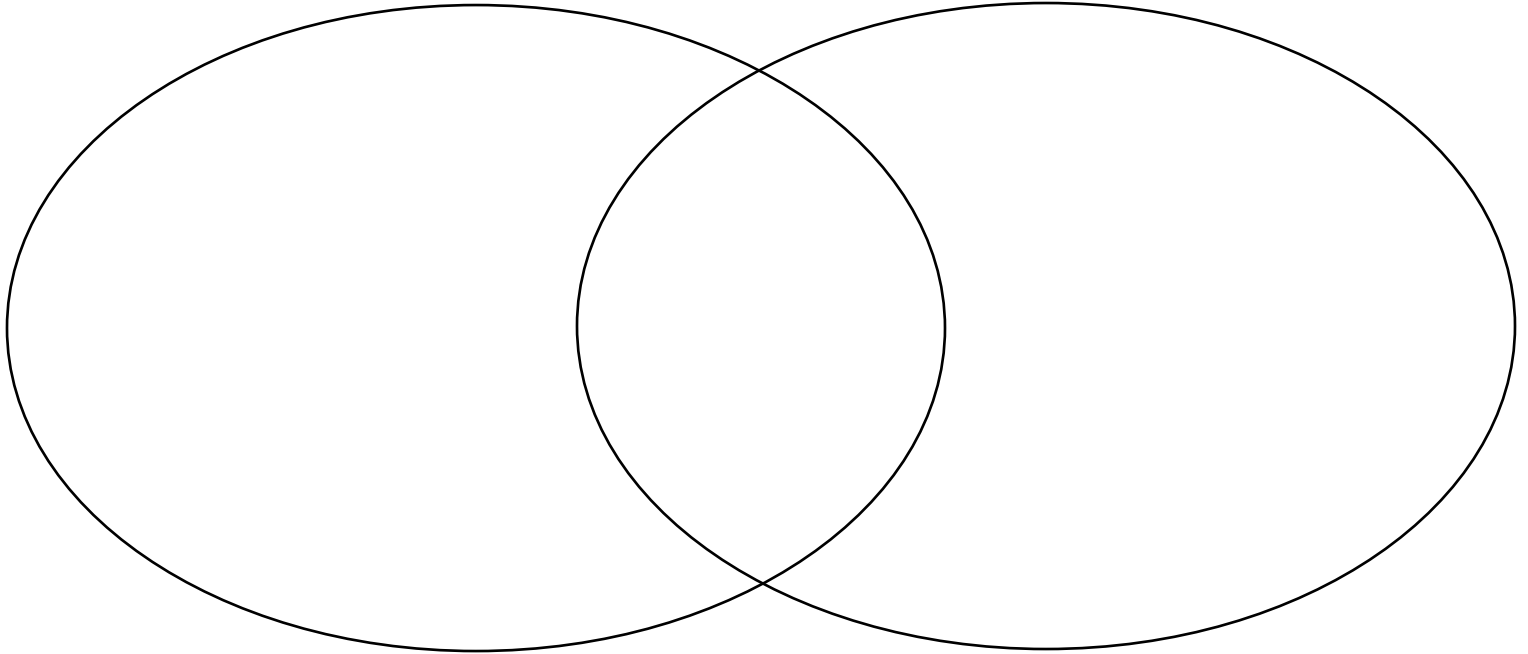

- What makes Truth's experiences unique from other women in this activity?

- How did Truth fight for diversity and inclusion in the women's suffrage movement?

Name _____

Date _____

Visit the "[Within These Walls](#)" website that explores five different families that lived in the same house across American History. Looking at the Caldwells and the Lynches, compare and contrast the family's experiences.

- How were the experiences of the Lynches different because they were immigrants?

Choose one of the working class, immigrant, or African-American women and one of the other suffragettes from the activity. Write a short newspaper article that features the accomplishments and experiences of the two women and how they each contributed to the suffrage movement.
